15 or destroyed any document falling within the scope of this Request, identify the document which has
16 been lost, destroyed, or regarding which control has been relinquished, and for each such document:

17 1. Identify the document by stating its date, author(s), recipient(s), the identity of all
18 persons who were intended to receive the document, the identity of each person (including
19 natural persons, corporate persons, and any other entity) in possession, custody or control of
20 the document or a copy of the document, and a general description of the subject matter;

21 2. If such document still exists, identify each person, if any, who currently has custody,

23 L. Whenever a document demand is framed in the conjunctive, it shall also be taken in the
24 disjunctive.

25 M. Whenever a document demand is framed in the singular, it shall also be taken in the plural.

26 N. The specificity of any one particular document demand shall not be construed to reduce the
27 scope of any generalized document demand.

1 O. This set of document requests is in no way affected or modified by any informal production
2 of documents earlier conducted, nor does any prior production in any way affect or modify the
3 Responding Party's duty to comply with these requests.

5 documents.

6 Q. Documents attached to each other should not be separated.

7 R. Selection of documents from files and other sources shall be performed in a manner to ensure
8 that the source of each document may be determined.

9 S. Documents shall be produced as they are maintained in the ordinary course of business. If
10 documents are available in electronic format, they should be produced in electronic format either in

12 author, origin, creation, modification and other information obtainable from the original electronic
13 files.

14 T. The Responding Party is to produce every copy of every document described herein where
15 any such copy is not an identical copy of an original or where any such copy contains any

SUPERIOR COURT OF CALIFORNIA, COUNTY OF ALAMEDA

Rene C. Davidson Courthouse

Marcus Vaughn et al Plaintiff/Petitioner(s) VS. Tesla, Inc. Defendant/Respondent(s)	No. RG17882082 Date: 11/03/2021 Time: 11:01 AM Dept: 21 Judge: Evelio Grillo
ORDER re: Ruling on Submitted Matter	

The Court, having taken the matter under submission on 10/22/2021, now rules as follows: The Motion of Plaintiff to compel further responses to requests for the production of documents 108-111 and special interrogatories 31, 32, and 34 is GRANTED IN PART

BACKGROUND

This is a putative class action alleging a pattern and practice of race harassment at the Tesla factory in Fremont, CA. Plaintiffs reasonably seek information about all incidents of racial harassment at the factory as well as information about what did Tesla know and when did it know it. Tesla reasonably argues that the discovery be focused on the members of the putative class (which are persons who worked in the factory during time periods when they were not bound by arbitration clauses). Tesla also asserts the privacy interests of persons who worked at the factory.

The court has addressed this issue on at least three prior occasions.

The order of 9/30/20. The court granted plaintiff's motion to compel discovery. The discovery order states: "The court will order that if a complaining employee/worker signs a waiver, the Tesla must produce any third party complaint as well as documents directly related to any resulting investigation and discipline. ... Limiting disclosure of third party complaints, investigations, and discipline to the persons who consent to the disclosure and production of their complaints also addresses the burden issue. The results of the opt-in waiver for complaints of race harassment will define the files to be reviewed, which then limits the burden on Tesla of locating the relevant files."

The IDC guidance of 7/16/21. The guidance states: "The court made the decision early in the case that plaintiff could review the contents of the files of other workers (employees, contractors, etc) if the other workers signed releases regarding the information in their files. The court would be inclined to be consistent with that approach. The approach suggests that if the court ordered a request for documents containing or referencing racial slurs that were reported in the Convergent system/program then the responsive documents would be narrowed to those relating to the persons who signed waivers. The court would be inclined to grant a motion to compel to the extent it sought documents in the Convergent system/program relating to the persons who signed

SUPERIOR COURT OF CALIFORNIA, COUNTY OF ALAMEDA

Rene C. Davidson Courthouse

waivers. The court

would be inclined to deny a motion to compel to the extent it sought documents in the Covercent system/program relating to the persons who [have not] signed waivers.”

The order of 8/26/21. The court granted Tesla’s motion for a protective order in part. The order states: “Tesla seeks to limit its production of records of complaints and investigations to persons who signed waivers and who were complainants, subjects, or witnesses regarding incidents during the proposed class period. (Reply at 4:16-19 and 4:20-22.) GRANTED.”

The case has been reassigned. Judge Grillo will not disturb the existing protocol, but views it at the first phase of a two phase process. In the first phase, Tesla’s obligation to respond is limited to persons who signed waivers and who were complainants, subjects, or witnesses regarding incidents during the proposed class period. In the second phase, plaintiff may make a motion that Tesla’s obligation should be expanded to include additional information based on, among other things, plaintiffs’ need for the information considered in light of the burden of production on Tesla and the privacy interests of third parties.

The court modifies the order of 8/26/21 and ORDERS Tesla to produce any anonymous complainants from persons who submitted a complaint regarding race harassment at the Tesla factory. Such complaints are to include complaints referencing harassment and racial slurs, complaints that contain or reference the words nigger, swastikas or racial or racist graffiti. To the extent the names of specific individuals are mentioned in the body of the letter (as opposed to addressees who received the letter) such names may be redacted.

RFPs 108-111

Plaintiffs seek all documents on Tesla’s Covercent system/program that contain or reference the word nigger, a swastika, or racial or racist graffiti. DENIED AT THIS TIME.

As the court previously decided in the orders of 9/30/20 and 8/26/21, the information sought is relevant but the court will limit Tesla’s obligation to respond to persons who signed waivers and who were complainants, subjects, or witnesses regarding incidents during the proposed class period. The court reaffirms that this is an appropriate balance of relevance, burden, and privacy concerns at this time.

Tesla must comply with the court’s prior orders, including the orders of 9/30/20 and 8/26/21.

After Tesla has substantially complied, then plaintiff may make a motion that Tesla’s obligation should be expanded to include all documents on Tesla’s Covercent system/program that contain or reference the word nigger, a swastika, or racial or racist graffiti.

SROG 31, 32, 34

Plaintiffs ask Tesla to state the first date on which anyone from the HR Department initially became aware of the use of the word nigger and racist graffiti in the restrooms or bathrooms or

SUPERIOR COURT OF CALIFORNIA, COUNTY OF ALAMEDA

Rene C. Davidson Courthouse

elsewhere in the Tesla factory. GRANTED.

The information is relevant to when Tesla first became aware of the alleged harassment.

The burden is minimal. Tesla can make a reasonable and good faith effort to identify the relevant dates and answer the questions. Tesla can state it made a reasonable and good faith effort and is not able to answer the questions. (CCP 2030.220) Tesla can, as agreed by plaintiff, provide a verified response that it had the knowledge before the start of the class period. (Moving at 13:15-16.)

There are no concerns with privilege, work product, or privacy.

Tesla must produce further responses to SROG 31, 32, 34 on or before 11/5/21.

The Court orders counsel to obtain a copy of this order from the eCourt portal.

VIDEOTAPED DEPOSITION OF ANDRES DONET

17:15:51 1 Q. Why did you send the e-mail saying you had
17:15:56 2 cleaned up the graffiti to Liza Lipson?

17:15:56 3 A. Well, it was the practice to send the
17:16:01 4 information to both HR and security.

17:16:10 5 Q. So you had a practice to send -- any time you
17:16:14 6 were cleaning up offensive graffiti you would be
17:16:17 7 sending it -- your practice was to send it to HR and to
17:16:23 8 security; is that correct --

17:16:23 9 MR. HASAN: Objection. Misstates
17:16:26 10 testimony.

17:16:26 11 MR. ORGAN: I'll break it up. In terms of --
17:16:29 12 I'll strike it and break it up.

17:16:30 13 BY MR. ORGAN:

17:16:30 14 Q. In terms of whenever you had a picture of
17:16:36 15 graffiti involving what might be offensive content, you
17:16:43 16 would send that to HR; is that correct?

17:16:46 17 MR. HASAN: Objection. Misstates his prior --
17:16:48 18 BY MR. ORGAN:

17:16:48 19 Q. -- to let them know you cleaned it up?

17:16:51 20 A. We sent any graffiti that was found to HR and
17:17:02 21 security.

17:17:03 22 Q. Okay.

17:17:04 23 A. Offensive or not offensive, that was the
17:17:07 24 practice and still is.

17:17:09 25 Q. And still is?

VIDEOTAPED DEPOSITION OF ANDRES DONET

17:17:10 1 A. Yeah. We send that information.

17:17:12 2 Q. Okay. So anytime that graffiti is cleaned up
17:17:16 3 once you've cleaned it up you send word to human
17:17:22 4 resources to tell them that it's been cleaned up;
17:17:25 5 correct?

17:17:25 6 MR. HASAN: Objection. Misstates testimony.

17:17:27 7 THE DEPONENT: It is a -- we want to make sure
17:17:33 8 that they know that this happened and was taken care
17:17:39 9 of.

17:17:40 10 BY MR. ORGAN:

17:17:40 11 Q. I see. Okay. So anytime there's graffiti
17:17:43 12 that your department or team is cleaning up you send
17:17:50 13 word to human resources that you have cleaned it up so
17:17:55 14 that they have notice about it and so that they know
17:17:57 15 it's cleaned up; is that correct?

17:17:59 16 MR. HASAN: Objection. Compound and misstates
17:18:01 17 testimony.

17:18:01 18 THE DEPONENT: Yeah. We send information that
17:18:10 19 we found this or somebody report this and it was
17:18:13 20 cleaned.

17:18:13 21 BY MR. ORGAN:

17:18:13 22 Q. And that's your typical practice; correct?

17:18:15 23 A. That's the typical thing to do.

17:18:17 24 Q. Okay. And in addition to sending any kind of
17:18:21 25 notice about graffiti to human resources you also sent

11:21:21	1	BY MS. ANTONUCCI:
11:21:21	2	Q. Had you ever seen any other drawings in the
11:21:26	3	Fremont Tesla factory?
11:21:27	4	MR. ORGAN: Objection. Vague and ambiguous as
11:21:29	5	to "drawings."
11:21:31	6	A. Yes.
11:21:33	7	BY MS. ANTONUCCI:
11:21:33	8	Q. What other drawings have you seen?
11:21:39	9	A. Graffiti inside the bathrooms.
11:21:51	10	Q. And what graffiti did you see in the bathrooms?
11:22:00	11	A. The N-word wrote inside the bathroom stalls.
11:22:09	12	Q. Anything else?
11:22:18	13	A. Possibly, but not that I can recall at this
11:22:23	14	moment.
11:22:27	15	Q. How many times did you see the N-word written
11:22:30	16	inside the bathroom stall?
11:22:39	17	A. I don't understand the question.
11:22:43	18	Q. Did you only see the N-word written inside the
11:22:47	19	bathroom stall once or multiple times?
11:22:52	20	A. Do you mean every time I went to the bathroom,
11:22:55	21	or wrote on the bathroom walls?
11:22:58	22	Q. Did you go to that bathroom more than one
11:23:02	23	occasion in which you saw the N-word written on the
11:23:05	24	stall?
11:23:06	25	A. Yes.

11:23:06	1	Q.	How many occasions did you go to the bathroom
11:23:08	2		where you saw the N-word written on the bathroom stall?
11:23:16	3	A.	I used the bathroom maybe four or five times a
11:23:21	4		day.
11:23:22	5	Q.	And how long was the N-word written on the
11:23:25	6		bathroom stall?
11:23:27	7	MR. ORGAN:	Objection. Vague and ambiguous.
11:23:29	8		Compound.
11:23:34	9	THE WITNESS:	To my knowledge, it's still there.
11:23:37	10		I don't know.
11:23:37	11	BY MS. ANTONUCCI:	
11:23:38	12	Q.	Did you ever report to anyone that the N-word
11:23:40	13		was written on the bathroom stall?
11:23:43	14	A.	Yes.
11:23:43	15	Q.	Who did you report that to?
11:23:45	16	A.	Ed Romero.
11:23:55	17	Q.	And after you reported it, did someone actually
11:23:59	18		paint over the N-word?
11:24:01	19	A.	No.
11:24:01	20	Q.	It was still on the stall?
11:24:04	21	A.	Yes.
11:24:05	22	Q.	At the end of your employment, it was still on
11:24:08	23		the stall?
11:24:12	24	A.	That I know. Yes, it was.
11:24:14	25	Q.	Did you always go to the same bathroom in the

11:24:17	1	Fremont factory?
11:24:21	2	A. No.
11:24:22	3	Q. Okay. Which bathroom did you see this in?
11:24:26	4	A. The bathroom that's located between the
11:24:40	5	conveyance and the production floor. The other bathroom
11:24:47	6	is located in between the --I believe it's the battery
11:24:57	7	line and the production floor.
11:25:03	8	Q. Just one bathroom?
11:25:04	9	A. No. There's more than one bathroom.
11:25:09	10	Q. I'm sorry. Did you see the N-word written in
11:25:13	11	just one bathroom?
11:25:14	12	A. No.
11:25:14	13	Q. You saw it in two bathrooms?
11:25:17	14	A. No.
11:25:18	15	Q. How many bathrooms did you see the N-word
11:25:21	16	written in?
11:25:28	17	A. About four bathrooms.
11:25:32	18	Q. So one of them was on the conveyance -- near the
11:25:40	19	conveyance area on the production floor; correct?
11:25:44	20	A. Yes.
11:25:44	21	Q. And the second one was in the battery area on
11:25:49	22	the production floor?
11:25:50	23	A. Yes.
11:25:52	24	Q. Where are the other bathrooms that you saw the
11:25:57	25	N-word written in?

11:26:00	1	A. There's another bathroom that I saw. I think
11:26:05	2	it's called the stater line. I'm not 100 percent sure
11:26:09	3	what that line was called.
11:26:12	4	Q. Also on the production floor?
11:26:15	5	A. All the bathrooms are used for the production
11:26:19	6	workers.
11:26:22	7	Q. What other bathrooms did you see the N-word
11:26:26	8	written inside the stall?
11:26:33	9	A. Can't be 100 percent sure where the bathroom was
11:26:41	10	located but...
11:26:44	11	Q. So the first time you saw the N-word written
11:26:49	12	inside the bathroom stall, was that before or after you
11:26:54	13	saw the picture that you described that you sent to
11:26:57	14	CitiStaff?
11:26:58	15	A. Before.
11:27:00	16	Q. How long before?
11:27:09	17	A. I would say my second day of employment.
11:27:23	18	Q. And which bathroom was the -- which bathroom did
11:27:28	19	you see the N-word written in on your second day of
11:27:33	20	employment?
11:27:35	21	A. The bathroom between conveyance and the
11:27:39	22	production floor.
11:27:40	23	Q. And when did you see the N-word written in the
11:27:46	24	bathroom stall in the battery bathroom?
11:27:54	25	A. I can't be sure of the time.

A hand-drawn wavy line is shown on a horizontal baseline. The line starts with a large loop on the left, followed by a series of smaller, irregular waves that decrease in amplitude towards the right. The line is drawn with a single continuous stroke.
